If you are a student where a 3<sup>rd</sup> Party is paying (e.g. Employer / Embassy)

3. The RCP system will attempt to collect the monies due 3-5 working days later, if this attempt also fails the system will again email you to advise;
4. Should the instalment remain unpaid 7 days after the first attempt at collection, you will automatically lose access to services as per point 4 under self-funded debt section and the full amount becomes due and the ability to pay in further instalments will be jeopardised.
